

VenoTrain® micro

FASHIONABLE, MODERN AND VERSATILE

With a particularly high microfiber content that makes it comfortable to wear, the VenoTrain micro is one of the most popular compression stockings.

Available in many designs and a wide selection of colors, it highlights the individual style of your customers.

FEATURES

- More than 50 per cent microfiber content: breathable, skin-friendly, and easy-care
- Figure-shaping panty area (pantyhose) and comfort sole
- Semi-transparent fine stocking quality
- Also available as pantyhose for pregnant women with a special panty area that expands as the mother's bump grows (ATU)

DETAILS

SIZING SYSTEM PERFECT-FIT (S–XL)
