

## Combination Agreement

The below mentioned products from SUNRISE MEDICAL are in principle appropriate to be combined with the below mentioned ETAC products provided that the combination is made expertly and according to the restrictions of both manufacturers. The restrictions can be asked at the manufacturers.

SUNRISE MEDICAL product	Etac Supply Center AB
Back Jay 2, standard, deep Back Jay 3	Cross Cross XL Next Next Comfort Twin Transit

Please note that mounting has to be effected according to the SUNRISE MEDICAL mounting instructions by skilled staff only.

The maximum torque specified in the mounting instructions of the Jay 2 and Jay 3 back has to be followed.

The maximum values mentioned in the user manual of both manufacturers must be observed.

Machining, bending, welding or bracing on any safety relevant components is not allowed.

The combination agreement has been made in two copies, one for each party.

Authorized representatives of the parties have executed this agreement
